KFP Community Group Donation Request	Date submitted:	

The KFP (Kirkby Fruit Project) is run by volunteers. We use surplus fruit to reduce waste, and produce juice, cordials, cider and cider vinegar for sale. The profits raised from the sale of our products throughout the year are used to help support local community groups. The funds are released from the end of year final profits. Each group can ask for up to **£500**, which is about 25% of our surplus for **2026**. All local community groups within 7 miles of Kirkbymoorside are welcome to ask for a donation, to buy, or help you buy, a specific item/activity intended for the benefit of the members of their group. Preference will be given to those who are Kirby based as almost all of our surplus is generated in Kirkby. Funding to support routine activities is not normally given. The results will be announced in late December. Groups may apply for further donations in subsequent years. We would expect funds to be claimed and used within 6 months and would ask for a short report/ photo of how they were spent, that can be put on our website.
Looking forward to hearing from you. KFP
